

Who is 'Q' ????

'Q' is the embodiment of all those wonderful volunteers in our community who do so much to help so many. 'Q' is low maintenance, never asking for anything in return, quietly giving of his/her time and energy to assist others. 'Q' actually has no clear face because many volunteers prefer to be anonymous and stay out of the spotlight.

The Order of Orillia Awards Committee wants to receive nominations for those 'unsung heroes', those very deserving people who have been volunteering for years. 'Q' is short for question mark.

Do you know who the next Order of Orillia recipient(s) will be??

Applications are available at City Hall or on the City website www.city.orillia.on.ca
