

# Adult Music Lessons

Our programs will provide an introduction that will encourage success and lead to a desire to continue developing talents for a lifetime of musical enjoyment.

All lessons are private and include the instruction manual in the fee. Depending on the instrument, you may need to provide your own for lessons.

All programs are eight weeks in length with the exception of trumpet lessons, which are six.

Please contact Tolton Music Studio if you require more information regarding the music lessons. They can be reached at 326-0320.

Tolton Music Centre is located at 170 Memorial Avenue at the Clock Tower Plaza (corner of Barrie Road and Memorial Avenue).
