

**NOTICE**  
**OUTDOOR WATER RESTRICTION**  
**MUNICIPAL CODE CHAPTER 1070 UPDATE**  
**BY-LAW 2008-63**

The City is committed to responsible municipal water management. Outdoor water use increases significantly, sometimes to more than twice normal consumption, over the summer months, therefore it is important to establish good water use practices as well as a mechanism to control them. Therefore the City of Orillia has updated its **OUTDOOR WATER RESTRICTION BY-LAW** to include time allotments as well as extending it to be year-round.

No person shall use municipal water from a hose, pipe, sprinkler or permanent water irrigation system for the purpose of any outside water use including, but not limited to watering lawns or gardens, washing of vehicles, sidewalks or driveways or the filling of swimming pools, except as follows:

Even Municipal House Numbers may water outdoors on Even Calendar Days  
between the hours of 5:00 A.M. to 9:00 A.M. and 5:00 P.M. to 9:00 P.M.

Odd Municipal House Numbers may water outdoors on Odd Calendar Days  
between the hours of 5:00 A.M. to 9:00 A.M. and 5:00 P.M. to 9:00 P.M.

Effective YEAR-ROUND.

Remember 25 millimetres (1") of water a week, before 9 a.m. ensures a healthy deep rooted lawn. See the link below for Lawn Watering Tips.

We encourage the efficient use of water throughout your daily routine. Any cooperation by you and your neighbours is greatly appreciated.
